

## Central Jersey PAHCOM On-Line Rolodex

The motto of the Professional Organization of Office Management (PAHCOM) is, "PAHCOM shares knowledge". One of the ways the Central Jersey Chapter can help its member's, is by giving the managers an accessible, centrally located listing of vendors indexed by what type of services they offer. By placing the Rolodex on the internet and specifically the chapter web site that has become the "go to" place for information and resources, the visitors to the website will have instant, easy access to the vendors they need to run their medical practices. The Central Jersey PAHCOM website has over 50,000 hits which will assure that your business card will have regular exposure to those medical managers administering the day to day operations of a medical practice.
